

**** SAVE THE DATE!****

Welcome to our Zumbathon to benefit a local Boston charity, **Hearth**, which is dedicated to eradicating homelessness among the elderly (see link below).

No experience needed; a smile and a kind heart would do!

Ana and Param, two amazing instructors are donating their time for the event.

I hope you share the enthusiasm to join in and pass this invite along to colleagues, clients and friends. The aim is to have a minimum of 20 and hopefully 40 -50. Spread the word!

If you have never tried Zumba before, here is a great opportunity! If you have tried it before, here is a great way to experience wonderful and motivated instructors who care about the community.

Although many participants will be from the investment community, this is not a 'broker' event. Please join in for a fun evening to help a worthwhile cause.
